What is the application for?:	Outline permission for residential development and facilitating engineering oper
Address of the site or building:	Land at Walkley Terrace and Brunswick Street, Heckmondwike
Postcode:	

User comments

Type of comment: An objection
I don't think it will be a good idea for this planned development to go ahead it will cause to much traffic in Heckmondwike as they is enough already also it will cause a lot of pollution from all the heavy traffic working on the site also damaging the wild life to and blocking schools up with extra kids coming into the area plus flooding it may cause too on walkley Lane
