What is the application for?:	Outline permission for residential development and facilitating engineering oper
Address of the site or building:	Land at Walkley Terrace and Brunswick Street, Heckmondwike
Postcode:	

User comments

Type of comment: A general comment
<p>There is already extreme congestion in Heckmondwike, especially this area of Heckmondwike. The amount of traffic using the local streets to access the Gammar school is already horrendous. Parking is a nightmare all the time as there is always something going on at the Gammar school 24/7. Parents use the side streets as rat runs to get to this school. There's traffic jams and horns blaring, tempers lost every afternoon when this school is letting out. All this with out mentioning the noise from filling and building in this area, the heavy lorries, vans, cars of the builders. The loss of a green space used by walkers, and dogs walkers looking for a calm peaceful place to escape all the noise and traffic of modern life. Which is much needed for all our mental health.</p>
