REF. 2018/91661

Dear sir/madam

I object to the destruction
of Heckmondwike Railway
cutting and greenway.

We have far too many cars
on our road already and
people use it as a ratrun
and we can't park as it is or
get our caravan out of our gate

We love and need the
greenway and should not lose
it to more road planning
and building.

We have two lots of
taxis already on St James St
being Abbey and Swift and
they can be a nuisance.

I have ticked my other

2
objections on the enclosed
planning letter.

I hope all our objections
are taken seriously.

Yours sincerely,

• **Include the planning reference “2018/91661”**

- ✓ more congestion in Heckmondwike
