<p>I must object to this development I go to my daughters on Horton Street getting out of there or in at school times is cahotic the parents park wherever they want and if you say anything all you get is abuse and it is getting earlier all the time as they try to secure a parking place . New building is going on at the old Church which will cause even more problems, they come from all over to Heckmondwike grammar most have cars pleas don't take my word for it go and take a look.Another reason I object to this it is the last bit of green on that road separating Heckmondwike from Dewsbury, and it is a beautiful valley the last in the area totally unsuitable for building ,could be a flood risk and the traffic generated could destroy the area.So in short i appeal to yourselves to stop this application and let's keep at one piece of green land in the area it has turned from an old railway cutting nature has taken over please do not allow property developers to destroy it .</p>
