Type of comment: An objection
<p>I would like to raise an objection to this application, in the same guise as the former. Development on this site will have an extreme detrimental impact on the surrounding area. Traffic will increase dramatically, schools are already full, the wildlife will suffer, the state of our roads will be burdened greatly.</p> <p>Just as before, the processing of this application must be halted. There is no benefit to anyone other than the developer in this instance.</p>
