What is the application for?:	Outline permission for residential development and facilitating engineering oper
Address of the site or building:	Land at Walkley Terrace and Brunswick Street, Heckmondwike
Postcode:	

User comments

Type of comment: An objection
<p>As a resident on Walkley Lane for the past 17 years I would like to object to this planning.</p> <p>The noise and pollution caused by the development and extra traffic on the roads will increase an already over polluted area. The increase in traffic will clog up already congested roads, school times are horrendous due to the minor roads being parked on by residents, businesses and child drop off.</p> <p>The loss of green space (something we already have very little of in Heckmondwike), this space also has a wide variety of wildlife (foxes, bats roosting under the bridge on Church Street and this will no doubt disturb them, owls, birds).</p> <p>The noise and dust from Land Engineering will be a nightmare also what affect will the digging out of the banking have on the stability of the land above the development.</p> <p>Strain on local amenities (doctors, hospitals, schools, dentists)</p>
