<p>Do not build on the fantastic, last of the natural green grasslands of Heckmondwike!!</p> <p>I have many objections:</p> <p>Pollution levels are already high in Heckmondwike from cars and people in and this would make it worse</p> <p>Noise of lorries and works to local residents</p> <p>Congestion on Horton street and church street and surrounding roads which are already impassable during school times</p> <p>Extra cars with extra homes will make roads impassable and unsafe</p> <p>Ecological impact of last bit of green space in Heckmondwike and destruction of wold life and birds</p> <p>Effect on pond wild life (deerm bats etc) on Walkley lane which will be affected the building</p>
