

11<sup>th</sup> August 2018.

Dear Sir/Madam

RE - PLANNING reference "2018/91661"

I want to object to this proposal on several grounds. Congestion will be a big issue with traffic from the grammar school causing congestion already adding more vehicles to the mix will be horrendous not to mention the noise. My main concern is the pollution.

To put more houses in the area will cause a huge impact on Heckmondwike and not in a good way, noise, pollution, congestion and loss of green space cannot be good.

Yours Sincerely
