Subject: Proposed development at the railway cutting at Horton Street in Heckmondwike

Sir

spoke at the planning committee meeting in November about the proposed development.

It was suggested the developer had a public meeting to discuss matters arising.

I am disappointed at the inordinate haste the developer has called this meeting, it may meet with the planning committee's recommendation but is hardly in the spirit of a 'public meeting' called at 15:00 to 16:30 when people at work or picking children up from school will not be able to attend.

will not be able to attend either as we have already arranged to be away that day and are disappointed that we will not be able to have our voices heard.

I hope you will bring our frustration at this hastily brought meeting to the [Strategic Planning Committee](#).

Thank you
