

Consultation Response (Biodiversity)

Kirklees Council Conservation and Design Team, Biodiversity Officer

<i>Discharge of Conditions consultation response</i>		For office use
Date of response	22/08/2018	<i>Is this a response to an informal consultation request?</i> Yes ☐ No ☒
Location	Poplar Farm, Briestfield Road, Briestfield, WF12 0PA	
Application number	2018_92114	
Responding officer	Tom Stephenson	

Conditions included in application and relevant to biodiversity

Condition 20 requires a LEMP to include provision for foraging bats.

Documents submitted as evidence

A Landscape Management Plan and associated drawing have been submitted.

Advice to planning officer

The submitted information makes no mention of ecological issues. The proposals are not sufficient to discharge the condition.
