Subject: Planning Application Number 2018/92555

To whom it may concern,

I am writing to register my support/approval for the planning application for the demolition of St. Mary's old primary and infant school and convent.

The buildings have been empty for a number of years and are in a state of disrepair causing potential health and safety risks to all who go near. The buildings have been for sale for a considerable time and no buyer has come forward with any development interest. St. Mary's and the Diocese of Leeds have tried to do everything they could for the buildings prior to applying for planning permission for demolition.

There have been a considerable number of break-ins and vandalism of these buildings

These buildings are in close proximity of the new school and St. Mary's church and are therefore potentially endangering the safety of parishioners and pupils. These buildings attract dangerous individuals.

I feel it is in the interest of all that these buildings are demolished and that the site is finally developed for the benefit of St. Mary's. I understand some people maybe against demolition but these people contribute nothing to St. Mary's or to the safety of parishioners and pupils.

Please support this demolition application.
