

Consultation Response (Biodiversity)

Kirklees Council Conservation and Design Team, Biodiversity Officer

<i>Major scheme consultation response</i>		For office use
Date of response	08/10/2018	<i>Is this a response to an informal consultation request?</i> Yes ☐ No ☒
Location	St Marys R C Church, Upton Street, Carlinghow, Batley, WF17 8PH	
Application number	2018_92555	
Responding officer	Tom Stephenson	

Assessment

No ecological information has been submitted. However, the structures to be demolished are of an age and type of construction where roosting bats are reasonably likely to be found, in addition there is suitable foraging habitat in the immediate vicinity.

Advice to planning officer

There is insufficient information to assess the application against national or local biodiversity planning policy, therefore I object to the application.
