Type of comment: An objection
please take my objection very seriously in to account. You will be aware already of the problems that the mosque has created from when they have been granted last permission . Lots of people attend on Friday prayers and also the children are picked and dropped every day .They have already purchased a council Land very adjacent to Mosque and made a car Park , however what they have done then is they then purchased 2 Large Porta -Cabins and put them in Car Park , as Classrooms. instead of parking cars. they park Cars on road and also on front of local residents driveways .and block them in . I can assure you that from the last information I have provided that these people are making advantages in buying lands with explanations to make car parks and it is very upsetting that these people do not use the lands for what they been granted permission for and unfortunately use the Land for wrong reasons. Please refuse them . I have given you the evidence of facts of their actions. THE PORTA-CABINS THAT THEY HAVE PLACED ON THE CAR PARK THEY DO NOT HAVE ANY PERMISSION AND HAVE NOT EVEN TOLD YOU ABOUT . BESIDES THAT THEY HAVE EVEN BUILT A STONEWALL BEHIND PORTA-CABINS AGAIN WITH NO PERMISSION . PLEASE DO NOT PLAY WITH THEM AND TAKE MY COMMENTS VERY SERIOUS. THE HIGHWAYS OFFICER HAS TOLD AND WARNED THEM ABOUT THE PARKING PROBLEMS AND WHY THEY HAVE NOT USED THE CAR PARK BUT THEY TELL OFFICERS DIFFERENT TO WHAT THEY ACTUALLY DO . I HAVE NO TRUST IN THIS MOSQUE MANAGEMENT, SO PLEASE REFUSE THEM. HOW CAN YOU TRUST THEM.
