Type of comment: An objection
Hello We feel this should not be allowed to go ahead for the following reasons: Not in keeping with the steeet scene Complete loss of privacy to as the full width glazing window in the roof will look directly into our bedrooms and gardens due to the elevations with 14 Howard Avenue bring a lot higher than our property. Overdevelopment of the plot size especially due to the double story side and rear extension has already been granted Not matching the semi next door and not in keeping
