<p>I think it's a great idea. This also gives people the opportunity to get on the housing ladder. A shortage of affordable housing is a big problem sonutting some dwelling on this currently dangerous site is a fantastic idea. I go drinking down to the club opposite and it is always being set on fire and undesirables hanging aroun - so this will be a great benefit not only to the new occupants but the surrounding area and also mean the fire brigade and police are not having to turn up to put the constant fires out.</p>
