Dear Sir/Madam,

Land off, Carr Top Lane, Golcar - Reserved matters application for erection of 19 dwellings pursuant to outline permission 2015/90507 for outline application for residential development (within a Conservation Area)

Thank you for consulting Yorkshire Water regarding the above proposed development. We have the following comments:

Waste water

The covering letter submitted with the application for reserved matters states that "Applications to discharge conditions relating to the Outline permission and that [previous]Reserved Matters Consent have since been submitted to the Local Planning Authority". So far as YW is aware, conditions relating to drainage have not yet been discharged and we await consultation on those matters.

Yours faithfully

Stephanie Walden
Land Use Planning Manager
