

Design and access statement for:

9 Moor cottage, Netherton. Huddersfield. HD4 7LF

Please see photos to show the buildings size, age, style and condition.

This picture is of the front elevation of the property showing an original blocked up door opening.

A close-up photograph of a stone wall made of irregular, light-colored stones. A window with vertical blinds is visible on the right side of the wall. A small potted plant is hanging on the left side of the wall.

This picture shows the view from the above proposed window showing no overlooking properties.

This picture shows the rear of the property from the local neighboring park, the proposed windows would sit below the boundary wall.

This picture show the rear elevation of the property from within the property boundaries.

This picture shows the proposed window opening into tongue and grooved paneling within the 'cart door'.

This picture shows the location of the proposed w/c window to be located by the flower hanging basket.
