Hi

We have received the attached letter in relation to the above planning application. The letter is from [REDACTED], who states he is [REDACTED] and not the Council as we were led to believe.

In light of this I have [REDACTED] which is also attached to this email.

Kind regards,

Dear

Re Planning application 2018/93003 submitted on behalf of Mr & Mrs Turner for alterations at 65 Rowley Lane Lepton HD8 0JG.

I am writing to you directly having seen your planning application to KMC as I do not have a current address for Mr & Mrs Turner.

I do not object to the proposed alterations to the house, nor the formation of a carparking area at No 65. However I wish to make it clear that the plans connected to the application that show the demise of the property are wrong.

The land that we own forms part of

No 65 have a right of way over the land, as does the general public,

Please would you correct the drawings submitted to KMC that imply that the land is connected to no 65,

I look forward to hearing from you in due course.
