Address of the site or building:	Tower Works, York Avenue, Fartown, Huddersfield, HD2 2QR
Postcode:	

User comments

Type of comment: An objection
The planning in question does not match the planning which was originally applied for. Single story would have been much better for the properties in front and at the back. Plus the car wash below is very busy and there is nowhere to park on either side of the road. It is only a matter of time before there is a traffic incident because the cars at the top come down very fast.
