Subject: Planning application- 2018/93293

Hi,

I would like to state my objection to planning application- 2018/93293- 2 Squirrel Hall Drive Dewsbury WF13 4AH.

I have been contacted by my constituted [redacted] and share her concerns re. this application. [redacted] is partially sighted and a vulnerable, elderly individual. The new house would be too close to

her house preventing access for family and emergency services. The new house would drown out any natural light to reach house.

I am also concerned that this is already a congested area with the new house being near to the hospital and would add further to the traffic congestion. As a two-story building it would also be out of character for the surrounding homes.

Please note my concerns.

Thanks,
Marielle
