Kirklees planning Dept Civic Centre, Huddersfield HD1 2EY For the attention of Ms Rebecca Drake , case officer 12th November 2018 Dear Madam Re planning Ref: 2018/62/93486/E Demolition of existing outbuildings and erection of extensions and alterations to existing garage to create dwelling I write in connection with the above planning application. I have examined the plans and I know the site well. I wish to object strongly to the development of the house in this location. Cornmill Bottom is a dispersed settlement where development proposals should be considered very carefully: infilling could ruin the character of the hamlet. We are currently experiencing mess and disruption due to the enormous extension currently being built on to Cornmill cottage. Yet a further development bang opposite Cornmill Cottage is going to change the look and character of the whole of Cornmill Bottom and will have an impact on all the properties down in Cornmill Bottom. The proposed development is two storey and so greatly increases the visual impact compared to the buildings currently in situ Yours faithfully
