<p>Visual impact of the development.</p> <p>My objection is to the proposed large porch on the front of the house - 6 ft x 6 ft and to the visual impact this will have on the houses near by. At the moment the porches of all the houses on the street and estate match each other visually (are a very similar size and style) and a porch sticking out 6 ft will be in my mind an eye sore and out of character with the rest of the street and estate and will be very unwelcome.</p>
