<p>There should be no development taking place on castle hill. The area is lovely as it is, just pleasant for walks and admiring the view. we have noticed that the roads and area have been a lot quieter since the pub/restaurant has not been there. The roads leading up from Newsome, Ashes Lane and up to castle hill are very narrow and can not cope with heavy traffic. Junction at Ashes lane and High lane is an accident hot spot and we have witnessed many and fear more will take place as a result of increased traffic from the proposed development.</p> <p>Historic sites should not be dug up and disturbed for modern structures and this one appears to be quite large which again will spoil the view of castle hill we all know and love.</p>
