I object most strongly to this application on the grounds that it is out of character with its surroundings . The size of it would appear to make it more of a venue for weddings /conferences etc not for the use of the general public ,the ammount of parking would be an issue ,access would also cause problems ,the road is narrow and not suitable for the extra traffic , and frankly do Kirklees want to be party to allowing an eyesore in what is a land mark Heritage site .
