Dobb Lane

To  Michael Naughton;  Mick Dunn

Michael,

Thank you for sending drawings 18-1190-01 and 18-1190-02 showing the proposed drainage for the dwellings at the above.

Having reviewed, I am satisfied that they meet the requirements of Part H. We will require a satisfactory test to be undertaken on the proposed new soakaway to be formed at a later date.

Kind regards,

Chris Jones MSc C.Build E MCABE
