Address of the site or building:	Land at, Tithe House Way, Bradley, Huddersfield
Postcode:	HD1 2JR

User comments

Type of comment: An objection
I contacted Council Planning prior to moving to be told the Bradley Park Golf housing development was 15-20 years away due to infrastructure problems with roads and schools. Has this magically been fixed in 1 month???? I fail to see how the existing busy Bradley Road and Cooper Bridge can cope with more cars in the area. Not to mention the state of the roads, potholes and road flooding already present at Cooper Bridge. Would it not make sense to get the roads sorted first???? The effect of this proposed development on my house value will be huge, my private and family life will be affected by an invasion of my privacy at my rear garden not to mention the increased pollution caused by the loss of green belt. This development would result in my address becoming overlooked from many different vantage points as well reducing the quality of sun light my address receives. I would encourage the Council to think about existing Council Tax payers welfare and health in this area. Existing residents are already paying elevated rates!
