Application No 2018/93988
Edgeworth, Main Gate, HEPUORTH
Holmbyth HQ9 ITJ.

I disagree with the plan's
to build three, three bedroom
houses at Meingate. Two of
the houses only have parking
for two cars, there could be
more than two adults living
in these properties with more
than two cars.

Meingate is narrow and is
very busy with the school
traffic, also traffic from
far lane, and there are more

delivery Van's on the roads.

Surrounding this site are property with no off road parking, the local residents have no option but to park on the road.

Hapsworth is a Conservation area also grade two listed buildings nearby.

No more than two buildings should be considered, extra parking should be made on the third site.

I think the whole

application as been done under hand. Only three

neighbours have received

letters, also the planning

notice was put on a post further down Haingate away from the site during the

Christmas and new year
holidays.

I hope the planning will
not ignore the neighbors
concerns the impact this
will have on them, and
the cause will be long if
it goes ahead.

Yours Sincerely.
