Planning on this site has been submitted and rejected multiple times in the past as it is completely inappropriate for a dwelling to be constructed here (as noted by several previous Planning Officers). The last refusal was as recently as February 2018 where the matter was referred to the Secretary of State. It should be noted that previous applications have all been under the title of Land to the rear of 2-5 The Crescent, Hightown. The land is exactly the same as that referred to in this application.
