Subject: 5 day notice tree work

Please find 3 pictures attached of 2 trees we wish to remove under a 5 day notification. Both sycamore trees have significant open bark wounds causing rot in the main stems. Both trees are approximately 30cm diameter and pose a risk to both public and property. Trees are located within the woodland behind 24 connaught fold, Huddersfield, hd21rb.

Charlie Batten,
Down To Earth Tree Management.
