**Subject:** FW: Fence (retrospective application) 2019/90248

I would like this indexed to 2019/90248 as DCACON.

Thanks

Hi William,

Having visited the site, I can confirm that the fence does not compromise the sight lines to the nearside kerb at 2.4m back from either Mendip Avenue or adjacent private drives. As such, Highways DM has no reason to object to the scheme from a highways perspective.

Kind Regards,

Jamie
