<p>I believe that a new business in Birkenshaw should be welcomed into our village. I am disappointed that some people can't be happy for the new ventures of other people. Birkenshaw is now growing as a village due to there being houses built down at emmet reach and also houses being built by the fire station. I believe that this new establishment is going to be a deli and I for one will be giving it my custom. The village looks far worse having businesses shutdown.</p>
