Consultation Response from Trees Planning, KC Trees		
2019/90346 8, Hungerford Road, Edgerton, Huddersfield, HD3 3AL		
Demolition of existing dwelling and erection of detached dwelling (within a Conservation Area)		
Date Responded: 13/05/19	**Responding Officer: NG**	**Responding Ref: CA13**

I have no objection to the proposals. The trees to the frontage were not considered worthy of protecting and no objection was lodged to a notification of intent to remove these trees under ref 2019/90414, earlier this year.

The proposals do bring the property closer to the trees at the rear however these are far enough from the property as to not be a cause of concern and are protected by the Conservation Area.
