Address of the site or building:	2, Rosebery Street, Birkby, Huddersfield, HD2 2TE
Postcode:	

User comments

Type of comment: An objection
The proposed structure would disrupt the rhythm of the present building stock. Does the proposal have any relationship with the adjoining property, or is it a purely an added on business venture on a residential street? The land though unmanaged at present does provide some much needed greenery, and benifits ecologically from a lack of management.If the design was to be radically altered to incorperate living walls as well a 'green' roof I'd be less inclined to object.
