Address of the site or building:	rear of, 271, Cliffe Lane, Gomersal, Cleckheaton, BD19 4SB
Postcode:	

User comments

Type of comment: An objection
<p>My objection to this proposed development is taking into consideration on an already busy narrow road the amount of additional traffic that it will bring and congestion at already very busy congested blind junctions.</p> <p>But also my huge concern is the schooling and already over subscribed local schools in Gomersal, birkenshaw and the fact that catchment children are already missing out on places.</p>
