Address of the site or building:	rear of, 271, Cliffe Lane, Gomersal, Cleckheaton, BD19 4SB
Postcode:	

User comments

Type of comment: An objection
There are many different housing developments that have already been built in gomersal and the new estates never consider the original estate whether that be plots overlooking existing homes positioning of new homes. Drainage pressure on existing resources such as doctors roads hospitals play ground parking ect. In gomersal we have one playground with two swings this playground is always busy the nearest next playground in any direction is 40 minutes walk 92 homes with one or more children in each home is a massive pressure for one tiny playground this is just one example of the type of stress put on existing resources.
