Postcode:	WF156NR

## User comments

Type of comment: An objection
It would be an absolute shame to demolish this building. This pub dates from 1772 and due to the Luddites meeting here in 1812 to plan the attack on Rawfolds Mill, surely this is a place of historic interest? New signs in Liversedge state "historic Liversedge" - what is so historic about it if every old building is being pulled down in the area?
