User comments

Type of comment: An objection
<p>The history of the Shears sets it aside as a building of historic value, and coupled with the monument to the Luddites at the top of Knowler Hill requires it to be kept to maintain the industrial memories of the area. Over the years that I have lived in the area The Shears has been my place of retreat, and my place to celebrate. In my opinion it has a justified reason to remain.</p>
