<p>I would like to object to the demolition of the Shears public house as this building is part of the Spen heritage and history of the this area. I am a volunteer walk leader for Kirklees and take walks on the Luddite trails twice a year. This building is integral to those trails which are advertised in the local library and on-line. If this application goes ahead another part of our local history will be lost. Surely another use could be found for this building.</p>
