

10TH MAY 2019.

With regards to the closure
of the Shears now hiversedged. My concern
is I would lose my view

Halifax Road with
a lovely view but putting four
dwellings it would take away my view,
I feel sorry for
nobody wants to lose money.

But for myself I would prefer the
Co-op convenience store.

It's what is needed for Highdown
with regards

REF 2019/91239.
