<p>We now have wonderful new road signs saying welcome to historical Liversedge. The Shears is part of Liversedges history, and a significant part. Is there not a way where the building can be conserved for future generations?</p> <p>The number of small housing estates that have been developed over recent years off Halifax Road is getting greater. Will a traffic survey be done to assess the impact on further traffic in the area.</p> <p>Thank you</p>
