<p>The Shears is one of Cleckheaton's most historic pubs. It was here that in 1812 the Luddites planned the attack on Cartwrights Mill at Rawfolds.</p> <p>Kirklees planning keep rubber-stamping the removal of our history in the Spen Valley including sanctioning the demolition of Whitcliffe Mount Grammar school building and The Old Pack Horse pub. Please stop this now! Once its gone then it can never be replaced.</p> <p>If it is no longer viable as a pub then change it into family accommodation for histories sake don't demolish such and important building</p>
