Type of comment: An objection
<p>This building has a massive historical importance for this area. I am flabbergasted it is not a listed building. It was built in 1772 and was a known meeting place of the Luddites. Please do not obliterate this beautiful building and remove a building of historical significance to this area. This building also has a link to the Brontes novel Shirley. Losing this building would be a great historical loss for Liversedge.</p>
