<p>As a visitor currently staying with my daughter in Kirkless I object to the application on the grounds of preserving our Heritage. The Luddite movement is part of the countries industrial heritage and the Shears Pub paid an integral part in this areas historical connection with this.</p> <p>I was very impressed with the Kirklees Councils erection of the Luddite Monument, the only one in the whole country, but appalled at the proposed destruction of the Shears Pub where the Luddites met.</p> <p>I have walked the the Luddite Way with my family and was proud to do so. Please do not destroy an iconic link to our past.</p>
