## User comments

Type of comment: An objection
<p>The Luddites were the only subject i listened to at school and feel passionate about, this building should be a listed building to avoid demolition of it. As it was a meeting place for them i believe it would be wrong to tear it down and remove history. We have an obligation to our future children, why not fix the house up that are boarded up instead of building more, there are plenty about</p>
