<p>1/ Shears Inn is a beautiful building that should be conserved for future generations.</p> <p>2/ the landscape viewed from its garden and car park is spectacular and should carry on being available to all.</p> <p>3/ It's history is connected to our local church, both buildings being of great age and together lend character to our area, the shears havin been a meeting place for the luddites. This character would be lost with the destruction of the shears.</p> <p>4/ No modern houseing could provide anywhere near its appeal.</p> <p>5/ The local schools cannot cope with the number of children in this area now, more familes would add to this problem.</p>
