Type of comment: An objection
<p>I object to the plans to demolish the Shears inn and build 4 detached dwellings in its place.</p> <p>The reason for my objection is that the Shears Inn is a Historic building and is part of the Local area's history. The building dates back many years to when the Luddites used to meet there and they actually set off from there to Cartwrights Mill. Just further down the road there is a statue to commemorate the Luddites and there connection to meeting places in the area.</p> <p>How many more historic buildings are going to be destroyed in Kirklees, we have recently lost the Old Pack Horse to make way for yet more housing, this should not be happing, we should be looking after our heritage and not destroying it.</p> <p>This building needs saving, it is part of our history. I feel that it should also be made a listed building so to preserve its historic past and be there for future generations to enjoy.</p>
