<p>The Shears Inn is a Very big part of our history and should remain so!!! The Shears is full of character and is surrounded by many fields, trees and beautiful landscape. It would be detrimental to the beautiful setting and have a big effect on surrounding trees and greenery. It would be a shame to knock this outstanding building down and have houses built there.</p> <p>Halifax Road is a very busy road and to have houses built there would be a safety hazard.</p> <p>To have houses built there would be detrimental to the neighbourhood. It is a lovely community pub where you always feel safe and welcome.</p> <p>It has been a big part of the community for many years and should still stand.</p>
