Postcode:	WF156NR

## User comments

Type of comment: An objection
<p>This public house is a busy and well used venue located in a built up area, a much needed amenity. It has a wealth of history connected with it, is hundreds of years old and should not be knocked down on a whim when even if it does not continue as a pub the building could and should be repurposed. Kirklees council has a responsibility to protect such buildings for future generations.</p>
