<p>I am astonished that this application from April 2019 is still being allowed to linger on. The Shears building is an historic building in Liversedge and one of the few landmarks that exist to show Liversedge exists.</p> <p>I have sympathy that the landlord has failed to make a living out of the pub, perhaps a little redecorating and different fare may have helped, but to simply wanting to abandon things by raising it to the ground and profiting by selling houses is hardly the solution.</p> <p>I urge you to refuse this application</p>
