

**Consultation Response from Trees Planning,
KC Trees****2019/91327 Thongsbridge Mills, Miry Lane, Thongsbridge, Holmfirth, HD9 7RW****Reserved matters application pursuant to outline permission no. 2017/90207 for erection of B1 light industry****Date Responded: 21/05****Responding Officer: NG****Responding Ref:41/89**

I am broadly supportive of the proposals as no protected trees will be affected by the layout. I would request that the proposed replacement planting be re-visited as the replacement trees shown are not making the most of the space and public amenity/impact they could, being smaller trees. If 3 or 4 of the trees were species capable of providing a greater amenity value such as Lime, Oak or Beech this would provide for the long term aesthetic of the site and wider area.
